

Figure 1

FIG. 1 is a schematic diagram of a network system. A central cloud 8 contains two square nodes 4 and 6 connected by a diagonal line. Node 4 is connected to a square node 2 outside the cloud via a line 5. Node 6 is connected to a square node 10 via a line 11. Node 10 is connected to a cylindrical node 12.

Figure 8 is a screenshot of the Global Car Hire website. The website features a large, stylized world map as a background. On the left side, there is a vertical navigation menu with links: "Welcome", "About Us", "Offers", "Contact", "Site Map", "Select", and "Choirsir". The "Select" link is highlighted. At the bottom of the page, there is a small logo and the text "Home locations Cars Deals".

60

1. The first step is to identify the key components of the system. This involves understanding the hardware, software, and data involved.
